Petition to Establish a National Commission of Inquiry Into the Monetary System of the United States of America

We the undersigned Petitioners support the Resolution* by the Alliance For Just Money, Inc. and hereby call upon our U.S. Congress to establish a National Monetary Commission (NMC) to inquire upon the operations and impacts of the current U.S. monetary system operated by the private Federal Reserve System (FRS), and also to explore the benefits of implementing a 100 percent publicly owned and operated *national monetary system*, per the U.S. Constitution, originating all money to exchange goods and services for the general welfare of the people of the nation, and to recommend a monetary system capable of equitably delivering wealth and incomes, Justly, to and for the American people.

Signature	Print name**	Town/city & state	Zip code + 4	Email address

Petition signatories will be communicated through AFJM members to elected officials at municipal, county, state, and federal levels as we educate citizens and build grassroots support for a NMC and for Just Money reform. *Please contact your elected officials directly as well.* **Sign your initials after your printed name if you want your name and hometown to appear with those of other signatories on our online NMC petition page. Mail original signed petitions to **Alliance For Just Money**, 1214 E. Washington St., Bloomington, IL 61701. Send questions or comments to reform@monetaryalliance.org.
